Title: Chief Executive Officer

Assignee: TEXT ANALYSIS  
INTERNATIONAL, INC.

## ASSIGNMENT

Whereas, I, **Amnon Meyers** of Laguna Beach, California have invented certain new and useful improvements entitled *Automated Generation of Text Analysis Systems* have executed a declaration for a United States patent application on the invention; and

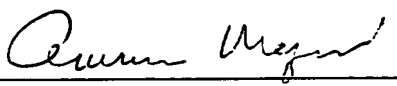

Whereas, **Text Analysis International, Inc.**, a corporation of **California** having its principal place of business at **1604 Mariani Drive, Sunnyvale, California 94087** (hereinafter referred to as Assignee) is desirous of acquiring the entire title in the invention, patent application and any Letters Patent that may issue therefrom;

Now, therefore, in consideration of One Dollar and other good and valuable consideration, I assign to the Assignee and the Assignee's legal representatives, successors and assigns, the entire title in the invention, the patent application and any Letters Patent that may issue therefrom, both foreign and domestic; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent to the Assignee under the terms of this assignment.

I hereby authorize the Assignee or its legal representative to insert in this instrument the filing date and serial number of the patent application or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

In exchange for the named consideration, I convey to the Assignee the right to make application in its own behalf for protection of the invention in countries foreign to the United States and where expedient to claim under any International Convention or other international agreement for any such application the date of the United States application (or other application if any) in priority to other applications; and I do hereby covenant and agree with the Assignee that I will not execute any writing or do any act conflicting with this agreement, and that I will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute additional assignments and other writings and do additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional renewal, reissued or extended Letters Patent in the United States or in any and all foreign countries on the invention, and in enforcing any rights or chose in action accruing as a result of the patent applications or Letters Patent, by giving testimony in any proceeding or transaction involving the patent or Letters Patent, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of both parties.
